

POLICY STATEMENT ON

Health, Safety & Environment

MISC is committed to Health, Safety and Environment excellence in all its business activities wherever it operates.

To achieve the above, MISC shall:

- Take appropriate practicable measures to prevent and eliminate the risk of injuries, occupational illnesses and damage to properties.
- Take proactive steps towards conservation of the environment.
- Ensure that the facilities it designs, builds, operates and the products and services it provides, are reliable and in accordance with appropriate legal requirements and industry best practices.
- Provide the necessary resources and organisation, and where appropriate, engage with key stakeholders on relevant Health, Safety and Environment matters.
- Ensure that appropriate contingency measures are in place to deal with emergencies.
- Ensure continual improvement in its Health, Safety and Environment management and performance, leveraging on people, process and technology.
- Require all its employees and contractors to strictly adhere to this policy at all times.

A handwritten signature in black ink, appearing to read "Yee Yang Chien", is written over a white background.

YEE YANG CHIEN

President/Chief Executive Officer
