MISC Berhad Makes its Debut on the Dow Jones Sustainability Emerging Markets Index 2021

MISC Berhad (MISC) is pleased to announce our inaugural listing as a constituent of the Dow Jones Sustainability Indices (DJSI), under the Emerging Markets category. MISC is the only Malaysian transportation sector company listed in DJSI Emerging Markets and one of the three Malaysian companies listed in DJSI Emerging Markets globally.

Commenting on this achievement, Datuk Yee Yang Chien, President/Group CEO of MISC said *"We are extremely proud to be recognised by DJSI for our commitment in environmental stewardship, sound corporate governance practices as well as generating positive impact to our various stakeholders. This achievement is a significant milestone in MISC's sustainability journey on a global scale which began almost a decade ago and strengthens our commitment to raise the bar in our sustainability performance as we move forward."*

Datuk Yee added *"We believe that the advancement of our business should be balanced with the integration of environmental, social and governance (ESG) principles in various aspects of our strategy and operations and this makes good sense in order to create meaningful and sustainable value in the long term. Our decisions and actions in the years to come will continue to be structured around our sustainability agenda, driven by the concerted effort of our employees, businesses and partners, and guided by our aspiration of moving energy to build a better world."*

Manjit Jus, Global Head of ESG Research, S&P Global said *"We congratulate MISC Berhad for being included in the Dow Jones Sustainability Index (DJSI) for the Emerging Markets category. A DJSI distinction is a reflection of being a sustainability leader in your industry. The record number of companies participating in the 2021 S&P Global Corporate Sustainability Assessment is testament to the growing movement for ESG disclosure and transparency."*

The DJSI is one of the most prestigious global indices of ESG investment and a leading global benchmark in corporate sustainability and socially responsible investment. A total of 108 global companies were featured on the DJSI Emerging Markets Index this year.

The DJSI Emerging Markets Index comprises emerging-market sustainability leaders as identified by S&P Global through the Corporate Sustainability Assessment (CSA). It aims to represent the top 10% of the largest 800 companies in 20 emerging markets based on long-term economic, environmental and social criteria.
